

ABOUT LINGEL WINDOWS

Lingel Windows is a German fenestration brand with 65 years of expertise in windows and doors. Known for its innovative and customized solutions, Lingel's 125,000 sq. ft. Manufacturing Unit produces 10,000 units per month. Offering uPVC, aluminum, timber wood, and smart WiFi-operated windows, Lingel is recognized for its motto "ON TIME, EVERY TIME" and prioritizes customer satisfaction.

Dr. h.c. Mario Schmidt has been the Managing Director of Lingel Windows and Doors Technologies since 2006. He is also the Company Director of Fensterbau Lingel Germany GmbH. He has helped launch various new products, one of them being the WiFi-operated smart windows. Dr. Mario Schmidt is the President of the uPVC Windows and Doors Manufacturers Association (UWDMA) and works closely with Indian government bodies BIS, BEE, and MSDE, as well as the German government bodies GIZ and DEG. He was recently bestowed with an honorary doctorate title for his work in skill development and management. He has also won many industry and management awards.
